COMTRACK WEBSITE UPGRADATION

The screenshot displays the COMTRACK website interface. On the left, a green arrow-shaped header contains the text 'Latest Updates'. Below it, three links are listed: 'LATEST UPDATE 1', 'Latest Update 3', and 'Latest Update 2'. To the right, a banner for 'Pledge FUNDING' features a yellow starburst that says 'NOW Available' and an image of hands holding a coin. Below the banner, text reads 'Clients can contact Support or email us at askus@ncdex.com with subject Pledge Funding'. A pagination bar shows five numbered boxes, with the third box (number 3) highlighted in blue. Below the banner area, a disclaimer states: 'Disclaimer :Please note that any credit balance in the account or this statement is NOT a negotiable Warehouse Receipt'. A paragraph of text describes COMTRACK® as an electronic web-based system developed and implemented by the Exchange, which facilitates electronic accounting of commodities deposited in the warehouses approved by the Exchange. The footer consists of a green bar with four white navigation tabs: 'FAQ', 'Feedback', 'About Us', and 'Contact Us'.
