WELCOME TO THE REPOSITORY BUSINESS

OVERVIEW

OUR STORY

National E-Repository Limited (NERL), a Repository for electronic Negotiable Warehouse Receipts (eNWR), was promoted by National Commodity & Derivatives Exchange Limited (NCDEX), the largest Agri Commodity Derivatives Exchange, to provide a platform for issuing eNWRs for commodities.

NERL, the Commodity Repository in India, incorporated in February 2017 and has received a permanent Certificate of Registration on September 26, 2017 from **Warehousing Development and Regulatory Authority (WDRA)**. The other shareholders of NERL include the **National Bank for Agriculture and Rural Development**

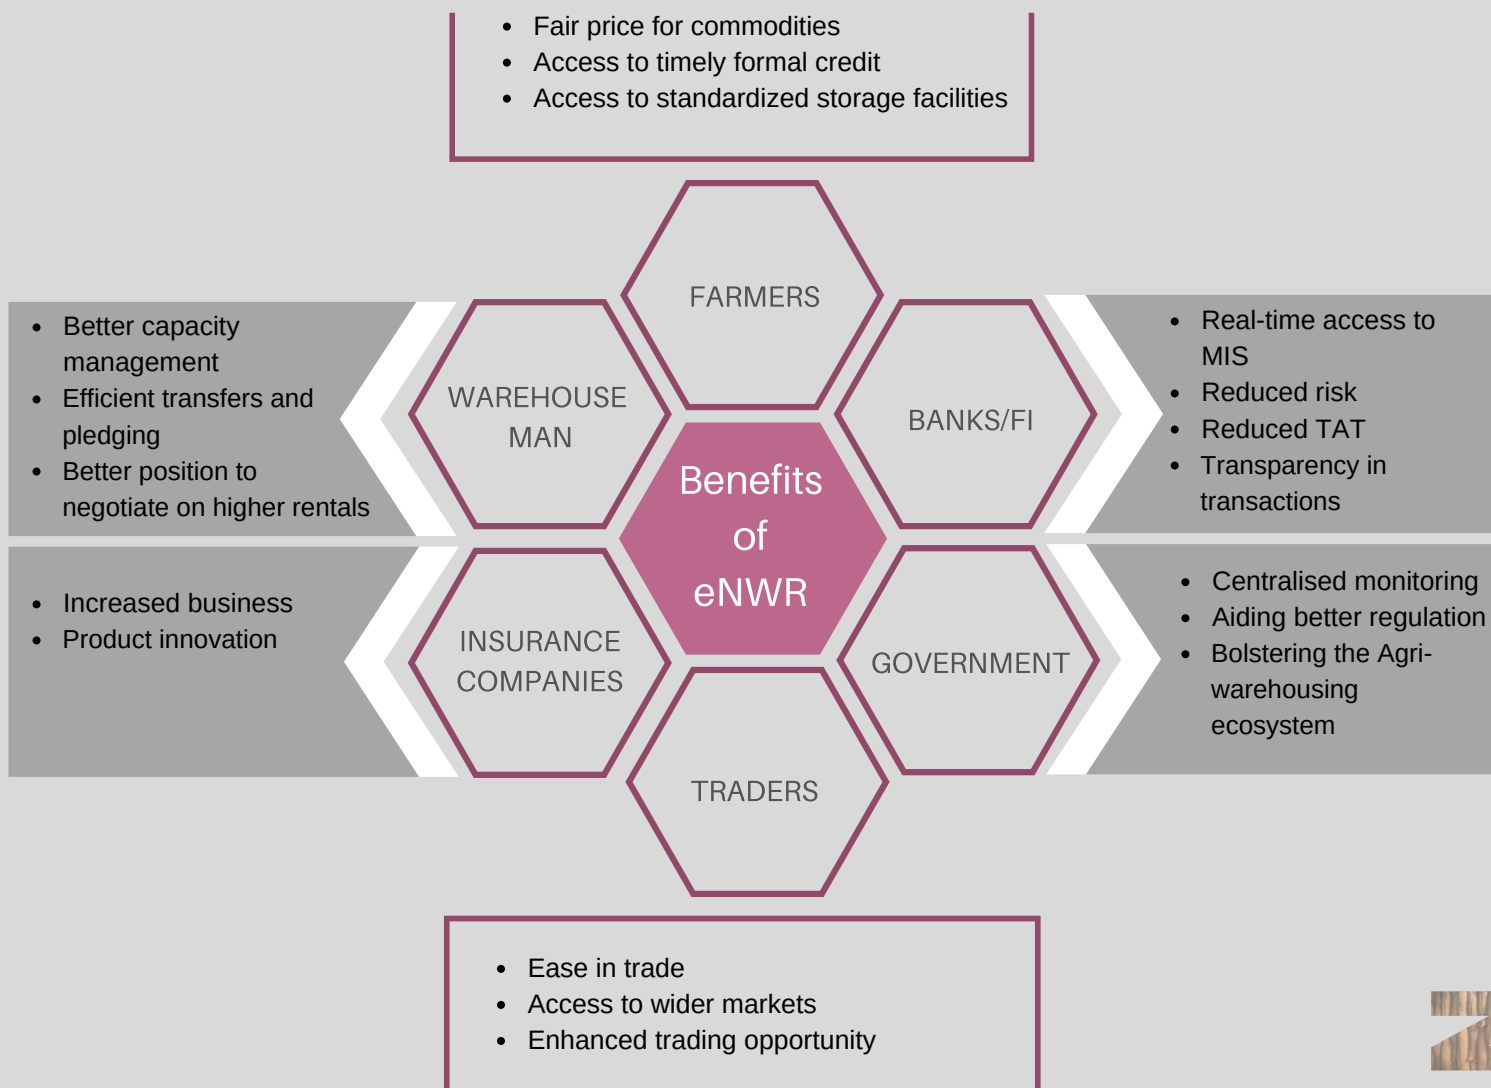

(NABARD), ICICI Bank Limited and State Bank of India apart from **NCDEX**. Such unique parentage makes it a unique proposition for the repository to give services to the Indian commodities market. It aims at ensuring the safety and soundness of electronic Negotiable Warehouse Receipts (eNWR) by developing solutions that increase efficiency, minimize risk and reduce costs. NERL plays a quiet but central role in developing services which will continue to nurture the growing needs of the Indian commodity markets.
