

NATIONAL E-REPOSITORY LIMITED

Circular to all Participants of the Repository

Circular No : NERL/OPERATIONS-002/2023/024

Date : December 27th, 2023

Subject : Increase in warehouse information and status update frequency.

Market Participants are hereby informed that, warehouse information & status will be updated twice a day as compared to current practice of End of Day, with effect from December 28th, 2023. Warehouse information & status update API will be executed at 04:00 pm (new batch) in addition to the existing at 12:00 midnight. New batch will take approximately 45 minutes for execution with no system downtime. Warehouse information and status will be updated through this API.

Warehouse status at the time of completion of transaction will be considered for processing. Transaction initiated but left incomplete/pending with warehouse status as "ACTIVE" cannot be completed afterwards in case the warehouse is made "INACTIVE" in the 04:00 p.m. batch run.

Market participants are requested to take note of the same while executing transactions on NERL platform.
