NCDEX – Warehouse status

1. What does warehouse status mean?

Warehouse status is maintained and updated by Authority – WDRA for the warehouses registered by WDRA under WDRA Act 2007.

Warehouse status is shared by WDRA to its repositories on daily basis.

2. What are the various warehouse status that are maintained by WDRA?

Active, Surrendered, Suspended, Cancelled, Expired and Inactive

3. What are the impact on transactions based on the warehouse status?

Matrix shown below denotes the impact on transactions based on the warehouse status, this matrix is applicable for both fresh & in-progress / in-transit transaction.

STATUS	Transaction Type							
	Deposit/ Assaying - EWR/ENWR generation	Quantity Deduction	Ben to Ben Transfer	Pledge Initiation	Pledge Redemption	Pledge Invocation	Client to Pool	Pool to Client
Active	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Surrender	No	No	No	No	No	No	No	No
Suspended	No	Yes	No	No	Yes	Yes	No	Yes
Cancelled	No	Yes	No	No	Yes	Yes	No	Yes
Expired	No	Yes	No	No	Yes	Yes	No	Yes
Inactive	No	Yes	No	No	Yes	Yes	Yes	Yes

4. Which commodities can be deposited in WDRA approved warehouses?

Commodities that are notified by WDRA and list of commodities allowed / mentioned in the warehouse registration certificate issued by WDRA will only be allowed for deposit and subsequent transactions.
