Circular to all Repository Participants (RPs), Warehousemen and Pledges of the Repository

Circular No : NERL/OPERATIONS-001/2026/011

Date : August 24th, 2026

Subject : **Enhancing Operational Efficiency in Transaction Processing**

All Repository Participants (RPs), Warehousemen, and Pledges of the Repository are hereby informed that a significant number of pledge, withdrawal, and deposit transactions pertaining to eNWRs / eNNWRs require timely action in the Repository system. It is observed that transactions are left incomplete for a prolonged period without finishing the final step. This leaves the transaction unfulfilled, exposed to risk, and legally unenforceable.

All concerned participants, particularly banks, are requested to review the transactions and accord priority to pledge transactions for prompt processing through the Repository system. Prompt processing of these transactions will support accurate Repository records, effective transaction monitoring, compliance with applicable regulatory requirements, and the efficient functioning of the eNWR ecosystem.

Banks are advised to follow the prescribed transaction processes as part of their regular operations, thereby supporting appropriate system controls and the efficient functioning of the Repository.

All concerned participants are advised to take note of the above and ensure strict compliance with the same.
